Victoria Club

2521 ARROYO DRIVE
RIVERSIDE, CALIF. 92506

TELEPHONE
(951) 683-5323

Good morning fellow members!

As the changes caused by the governments' responses to Covid-19 settle a bit, I want to update you on how your Club is doing its part to be respectful of the changes we must all abide to during these challenging times.

First, though, I want to personally thank each and every one of you for supporting our take-out service. It has been extremely successful and you, the members, are responsible for that. VC To-Go is available to you seven days a week.

We are hopeful to begin our Victoria Club Members Market place as soon as today. Based on the calls Julie has received, we know many of you are excited about the opportunity to shop at your Club and avoid being in a public arena. We will continue to add items available to members to help you and your families maintain a sense of normalcy in your shopping experience.

We will alert you via an email blast when the Member's Market is up and running. A great feature to the Member's Market is that the link is on the main website page (not Member Central) and you'll use PayPal to pay for your groceries.

I want to thank our staff, who've been tremendous, and the Board of Directors who have been very supportive of our staff and membership.

Finally, please remember to practice Social Distancing not only on the golf course or tennis courts but throughout your daily routine. We are the ones who will make the difference! It only takes one infraction to compromise everything we're working so hard to maintain.

For sure our lifestyles have changed but if we continue to be resilient, resourceful and respectful of what's needed from us, we will be able to carry on.

Thank you again and God bless. Ray
